Understanding CCRPI College and Career Ready Performance Index

Presented by Dr. Audrey Greer Principal Hapeville Charter Middle School

- To explain the components of the College & Career Readiness Performance Index (CCRPI).
- To read and interpret the 2018 CCRPI report.

To identify my next steps to contribute to the 2019 CCRPI score for HCMS.

CCRPI Goals

CCRPI Goals

Achievement for all students

IN WITH	TARGETS	State-level performance targets based on	School-level improvement targets based on
		closing the gap between a baseline and 100% by half over 6 years (proficiency rates, 4-year graduation rate)	3% of the gap between a baseline and 100% (achievement rates, 4- and 5-year graduation rates, progress towards English
			language proficiency)
	FLAGS	Performance Flags display the extent to which subgroups have met State and	Improvement Flags display the extent to which subgroups have met improvement
NEW!		Subgroup Performance Targets. Flags can be green, yellow, or red and can include an S, SG, or P to designate if state, subgroup, and/or participation targets were met.	targets. Flags can be green (target was met), yellow (improvement was made but the target was not met), or red (no improvement was made).

2017 CCRPI

REDESIGNED CCRPI

OUT	CONTENT MASTERY	Achievement in English language arts, mathematics, science, and social studies weighted by Achievement Level	Achievement in English language arts, mathematics, science, and social studies weighted by Achievement Level	
WITH			Scores for all students or a subgroup of students will be adjusted if the participation rate for that group is less than 95%	
THE OLD, IN WITH	PROGRESS	Student growth percentiles (SGPs) in English language arts and mathematics (percent of students demonstrating typical or high growth)	Student growth percentiles (SGPs) in English language arts and mathematics (weighted by level of growth) Progress towards English language proficiency for EL students (ACCESS indicator	
			currently used in CCRPI, now weighted by level of progress)	
THE	ACHIEVEMENT GAP / CLOSING	Achievement Gap – Utilizes z scores and SGPs to determine how large the gap is between a school's lowest 25% of achievers	Closing Gaps – Utilizes progress towards meeting achievement improvement targets	
NEW!	GAPS	and the state average and the extent to which that group of students is making progress		

OUT WITH THE OLD. IN WITH THE NEW

POST READINESS / READINESS

Elementary school = ACCESS indicator; students with disabilities served in a general education environment; literacy (Lexiles – grade 3); literacy (Lexiles – grade 5); career awareness lessons; career portfolio; student attendance (absent fewer than 6 days)

Middle school = ACCESS indicator; students with disabilities served in a general education environment; literacy (Lexiles – grade 8); career assessments/inventories and individual graduation plan; student attendance (absent fewer than 6 days)

High school = pathway completion; CTAE pathway completers passing an end of pathway assessment; college readiness; accelerated enrollment; work-based learning/career capstone; literacy (Lexiles – American Literature); students scoring Proficient/Distinguished on state assessments; student attendance (absent fewer than 6 days) Elementary school = literacy* (Lexiles = grades 3-5); student attendance* (absent less than 10% of enrolled days); beyond the core** (earning a passing score in fine arts or world language)

REDESIGNED CCRPI

Middle school = literacy* (Lexiles = grades 6-8); student attendance* (absent less than 10% of enrolled days); beyond the core** (earning a passing score in fine arts, world language, career exploratory, or physical education/health)

*Indicator definition modified from prior years **Based on prior ETB with modifications

High school = literacy (Lexiles = 9th Grade Literature and American Literature); student attendance (absent less than 10% of enrolled days); accelerated enrollment; pathway completion; college and career readiness (combines college readiness, end of pathway assessment, and work-based learning)

2017 CCRPI

OUT WITH THE OLD, IN WITH THE NEW!

	2017 CCRPI	REDESIGNED CCRPI
PREDICTOR/ GRADUATION RATE	Elementary and middle school = percent of student assessments scoring at Proficient or Distinguished Learner	Elementary and middle school = component not included
	High school = 4- and 5-year adjusted cohort graduation rates	High school = 4- and 5-year adjusted cohort graduation rates
CHALLENGE POINTS	Up to 10 extra points can be earned	
	ED/EL/SWD Performance = extent to which Economically Disadvantaged, English Learner, and Students with Disabilities meet subgroup performance targets	ED/EL/SWD Performance is not included; however, ED/EL/SWD subgroups can earn 1.5 points in Closing Gaps when a 6% improvement target is met.

2017 CCRPI

Exceeding the Bar (ETB):

Elementary school = earning passing score in above grade level courses and scoring Proficient Learner or above; earning passing score in world language or fine arts; STEM/STEAM certification; teacher utilization of SLDS; innovative practice; personalized climate

Middle school = completion of a fine arts, career exploratory, or world language concentration; earning high school credit and scoring Proficient Learner or above; STEM/STEAM certification; teacher utilization of SLDS; innovative practice; personalized climate

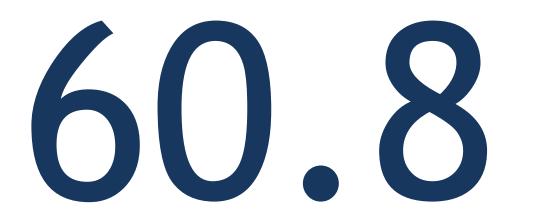

High school = physics completion; 9th grade students with disabilities earning 3+ core credits and scoring Developing Learner or above; 9th grade students earning 4+ core credits and scoring Developing Learner or above; STEM/STEAM certification; ACCESS indicator; completion of 3 credits in the same world language; teacher utilization of SLDS; innovative practice; personalized climate

REDESIGNED CCRPI

Exceeding the Bar indicators are not included

		CURRENT CCRPI	REDESIGNED CCRPI
OUT WITH THE	EXTRA POINTS	Extra points can be earned through Challenge Points (ED/EL/SWD Performance and Exceeding the Bar) and in Content Mastery	Extra points can be earned in Content Mastery, Progress, and Closing Gaps, with a maximum score of 100 for each indicator and component

Our 2018 CCRPI Score

Coolerage Average

WHAT IS CONTENT MASTERY?

Content Mastery addresses whether students are achieving at the level necessary to be prepared for the next grade, college, or career. This component includes achievement scores in English language arts, mathematics, science, and social studies.

CONTENT MASTERY

English Language Arts	46.59
Mathematics	46.03
Science	25.76
Social Studies	32.48

HOW DID THE SCHOOL PERFORM COMPARED TO THE DISTRICT AND STATE?

SCHOOL SCORE	42.0
DISTRICT SCORE	72.3
STATE SCORE	65.1

42.0

WHAT IS PROGRESS?

Progress measures how much growth students demonstrate in English language arts and mathematics and how well English learners are progressing towards English language proficiency. The English language arts and mathematics indicators utilize Student Growth Percentiles (SGPs) to measure how much growth students demonstrated relative to academically-similar students. English Language Proficiency measures whether students are improving within a performance band or moving up to another performance band, thus moving towards English language proficiency.

Component?	69.7 Progress	
HOW DID THE SCHOOL	SCHOOL SCORE	69.7
PERFORM COMPARED TO THE	DISTRICT SCORE	80.4
DISTRICT AND STATE?	STATE SCORE	81.0
HOW DID THE SCHOOL	ENGLISH LANGUAGE ARTS	73.49
PERFORM ON EACH	MATHEMATICS	77.23
INDICATOR?	PROGRESS TOWARDS ENGLISH LANGUAGE PROFICIENCY	18.75

WHAT IS CLOSING GAPS?

Closing Gaps sets the expectation that all students and all student subgroups make improvements in achievement rates. This component is based on CCRPI improvement targets for academic achievement, which are represented by improvement flags, and it provides an opportunity for schools to demonstrate the progress made in improving student performance among all student subgroups.

STUDENTS WITH DISABILITY	*	

WHAT IS READINESS?

Readiness measures whether students are participating in activities preparing them for and demonstrating readiness for the next level, college, or career. The indicators for elementary and middle schools include literacy, student attendance, and beyond the core. High school indicators include literacy, student attendance, accelerated enrollment, pathway completion, and college and career readiness.

READINESS

Literacy	41.82
Student Attendance	97.42
Beyond the Core	99.77

79.7

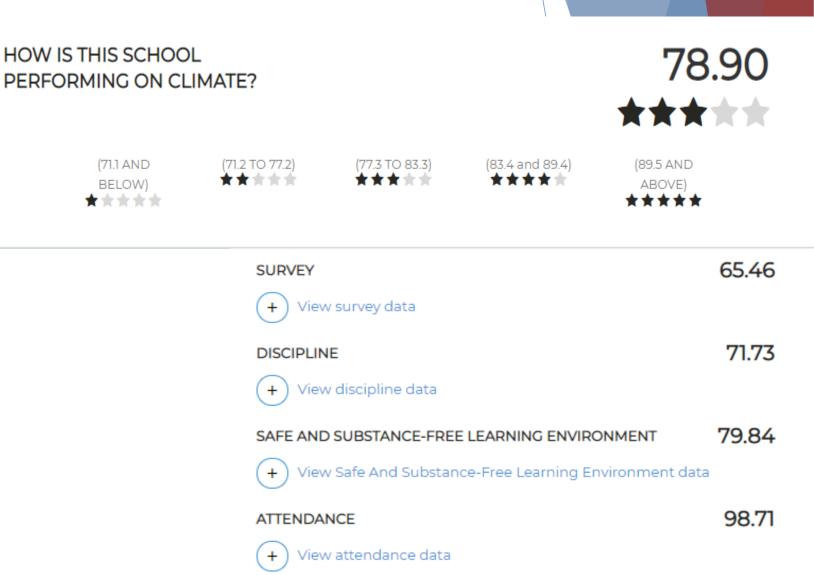

HOW DID THE SCHOOL PERFORM COMPARED TO THE

DISTRICT AND STATE?

SCHOOL SCORE	79.7
DISTRICT SCORE	85.6
STATE SCORE	82.4

WHAT IS SCHOOL CLIMATE?

The School Climate Star Rating is a diagnostic tool to determine if a school is on the right path to school improvement. The rating is based on four components: 1) student, teacher, and parent perceptions of a school's climate; 2) student discipline; 3) a safe and substance-free learning environment; and 4) school-wide attendance.

Our Improvement Plan

- English/Language Arts and Reading have been combined into a Literacy Course. (CM) (CG) (P) (R)
- The school will implement a Literacy Improvement Plan. (CG) (R) (CM) (CG) (P) (R)
- All departments follow the Georgia Standards of Excellence framework. (CM) (CG) (P) (R)
- Teachers now adhere to the gradual release model for instructional planning and lesson delivery. (CM) (CG) (P) (R)
- Teachers work in professional learning communities on a weekly basis. (CM) (CG) (P) (R)
- All administrators have been given an instructional focus tied to the school improvement plan. (CG) (SC) (CM) (P) (R)
- The school now has a Title I Parent Liaison that works closely with parents. (SC) (R)
- The school also communicates by sending a monthly parent newsletter and REMIND messages to keep parents abreasts of school activities and events. (R) (SC)
