

JICHHS Leadership Team Report

19 March 2018

LEADERSHIP TEAM:

- ❑ The leadership team is gearing up to finish student course registration this month. We are working towards beginning and building a “master schedule” earlier this year than past years so we may sooner have a better understanding of staffing and scheduling needs for the 2018-19 school year..

MEDIA CENTER:

- ❑ Assisted students in organizing a Voter Registration Drive. Approximately 40 students got registered and more took information to continue the process soon.
- ❑ *Read to Succeed*: building a community of readers! JI Reads books are chosen for the next school year and planning has already begun to schedule author visits, class reads, etc.
- ❑ Author Jason Reynolds visited today! 350 students heard his message in addition to reading one or more of his books. We shared this visit with Camp Road Middle School, truly creating a community of readers.

ENGLISH:

- ❑ Drama Club is hosting a Talent Show on March 22nd. Also we are putting on *Hello, Dolly!* in conjunction with James Island Players first weekend in May.
- ❑ African-American Studies: UBASA organized the Jazz band Concert with the assistance of PTO, FBLA, and Teacher Cadet. We also assisted with the Voter Registration Drive. After Spring Break, we will be doing our second drive for toiletries to be sent to My Sister's House.

FINE ARTS:

- ❑ Band, Chorus and Strings are all set to take students to their State Music Performance Assessments around the state next week (It's the music version of an EOC).
- ❑ Strings and Chorus will have their concert on Tuesday, March 20th at 7 PM in the Performing Arts Center.
- ❑ JICHHS Band & Camp Rd Middle School had their Pre-Music Assessment Concert last Tuesday to a packed and supportive audience. Both ensembles were outstanding, although I am partial to the amazing transformation that Mr. Campbell has

managed throughout the year. The two guest judges had lots of great feedback for them!

- ❑ Check out the JICHS Bands of the Island facebook page if you don't already follow them. <https://www.facebook.com/JICHSband/> They have posted recordings of their concerts there.
