

# JICHS Leadership Team Report

16 November 2020

## **LEADERSHIP TEAM:**

- ❑ The leadership team is beginning the process of reviewing our 2019-20 Charter Goals action plans. We are currently reviewing data from 2019 to establish areas of strength and weakness on which to base 2020-21 objectives!
- ❑ [Charter Goal #1](#)
- ❑ [Charter Goal #2](#)
- ❑ [Charter Goal #3](#) (2019-20 report)
- ❑ In October, The Leadership Team surveyed classroom-based faculty & staff. Here are the [results](#) of that survey as they were shared with the faculty.

## **PERFORMING ARTS:**

- ❑ Please enjoy the [Performing Arts Slide Presentation](#)!

## **CTE:**

- ❑ Congratulations to Andrew Pennington who was selected to represent Charleston County School District as the CTE US Presidential Scholars nominee. Andrew's application has been forwarded to the State Department of Education for consideration. State Superintendent Molly Spearman will be allowed to submit only a total of 10 male and 10 female applications for the General Component category and only 5 additional CATE student applications to Washington for consideration on November 25, 2020.

## **SOCIAL STUDIES:**

- ❑ Law Ed - Mr. Davis: "One of my Law Education students, Cameron O'Donnell, is participating in the "Students for Restorative Community Circle " (Panel Discussion) with CPD officers and some members of the football team. They are basically building on the idea of community policing and CPD is trying to make inroads with local high schools by getting to know students and their thoughts and concerns about policing in our community."
- ❑ AP US History - Ms. Howard: "We completed timelines on the American Revolutionary war and I wanted to share my favorite two with the BOD." [Example 1](#) and [Example 2](#)
- ❑ Honors Human Geography - Mr. Webster: "We used CANVA to make travel brochures and posters for the different biomes on Earth. This project required students to learn a new online medium to show their learning and understanding in a creative way." [Example 1](#), [Example 2](#), [Example 3](#)
- ❑ AP European History - Ms. Wakefield: "We take our first test next week covering the time period of 1450-1648. In preparation we have been honing our writing skills and learning how to effectively group information to form a cohesive argument." [Grouping/Thesis Activity](#)
- ❑ IB Anthropology - Ms. Wakefield: "We have been learning about structural powers, culture and what it means to live in a society. One fun way we've analyzed some of these ideas was to

evaluate a movie of their own choosing and look for the ideas and concepts we've been studying in IB Anthro." [Example 1](#) and [Example 2](#)

### **SCIENCE:**

- ❑ In October, marine science (Mrs. Evans) students participated in an oyster reef dissection with scientists from the Department of Natural Resources. The students sorted through oyster shells taken from the marsh to see what other organisms lived in between the shells.

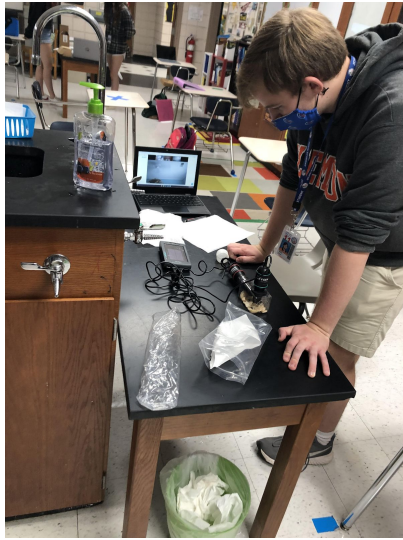

- ❑ Here are some fun brain dissection photos from IB year 2 (Mrs. Lyles) students:

- ❑ IB Year 2 students will be participating in a virtual coral reef SCUBA dive with Marine Lab in Key Largo Florida on Friday, November 13.
- ❑ IB Year 1 (Mrs. Lyles) students have completed 2 virtual case studies that allowed them to assume the roles of an ER physician to diagnose issues associated with chlorine gas poisoning and a Vet Tech to diagnose an issue of a dog that was eating normally but losing a lot of weight. [Sample conclusions](#)
- ❑ IB Year 1 students are navigating hybrid learning by 'zooming' with remote classmates while performing a cellular respiration lab.

- ❑ Upcoming: Earth Science (Mrs. Lyles) students will be participating in an oyster bag dissection with DNR scientists in December. These students will also participate in a virtual lecture with Old Santee Canal Park about the history of indigo in S.C. followed by a tie-tying lab using indigo.
- ❑ Upcoming: Next Wednesday, marine science (Mrs. Evans) will be having their annual discussion with high school students from Ockero, Sweden about their local marine environment and comparing it to our own.

#### **LIBRARY:**

- ❑ The December Project Lit book will be *Born a Crime* by Trevor Noah. Project Lit combines social action with reading and community involvement. Sometime in December we will be having an activity/discussion with students, faculty, admin, and community members, and we invite board members to take part. Please email [amy\\_ball@charleston.k12.sc.us](mailto:amy_ball@charleston.k12.sc.us) if you are interested.

#### **ROTC:**

- ❑ On October 24th, ROTC cadets participated in a roadway trash cleanup project on Dills Bluff Rd on James Island wherein approximately 100 pounds of trash was collected for proper disposal.

- ❑ On October 30, an all-female cadet ROTC Color Guard performed the opening ceremony for our Homecoming game against Bishop England.
