November 15th, 2021

1. Sidewalks campus wide with uneven control joints have been ground to eliminate prior existing trip hazards.
2. All of the windows in the main building and science wing that face Ft. Johnson Rd. had new window treatments installed.
3. All turf athletic fields have been overseeded.
4. The entire breezeway from the front doors to the rear doors has been steam pressure washed.
5. The JICHS Facilities Maintenance Department has received and processed 90 work orders from October 18th to the present.

Marty Monette  
Facilities Director, JICHS
