\_\_\_\_\_  
Signature/ and Date

- Truck drivers are not required to provide assistance unloading the truck when delivery arrives. Please be sure to have enough people and/ or proper equipment for unloading upon delivery or ask for special services when placing order.

**When Shipment is received:** observe the entire shipment for visible damage & the correct number of pieces

Notate any damage or shortage on all copies of the freight bill

Sign for the number of pieces, not the number of pallets

Unpack immediately to check for possible damage. If damage (hidden/ concealed) is discovered, save the packaging, immediately report the damage to carrier & request an inspection. Follow up the request in writing and call our office at 800-526-4856

**Returns:** Do not return damaged items to UCS without prior written authorization and a provided RMA number

Product must be new, unused, and in original packaging. Custom manufactured and made to order products are not returnable

Return must be made within 30 days of product delivery/ receipt by you. A restock fee may be charged for these returns.

Customer is responsible for return shipping charges.

Credit will be given to your account or credit card within 10 days of receipt of your product at UCS

- Please specify all colors when placing order and confirm all quantities.
- All PO's subject to Credit Approval, First time orders may be subject to pre-pay basis.
- Architecture approved submittals are required for all projects and UCS will not enter orders until confirmed by the contractor.
- Contractor is responsible for obtaining all current and up to date installation instructions for all models.

**To Secure an order, email a PO to [debbieh@ucsspirit.com](mailto:debbieh@ucsspirit.com) and your sales rep in copy accompanied by this Quote**

If you have any questions or need any other assistance, do not hesitate to contact me at: (704) 732-9922.
