SchoolPass

We've been working with SchoolPass (SP) and CCSD this past month on the implementation process. The majority of the work is behind the scenes with PowerSchool.

The Maintenance Department has on the device installations throughout the summer. This includes installing new outlets and mounting devices. The Tech Department is installing SP on all the devices. SP cannot go live until the bell schedules begin for students. We expect to work through the rollout process the first three days of school, with official visitor management and automated student attendance starting on Monday, August 21st.

Week of August 21, 2023

Open House/New Student Orientation night is Monday, August 21st, from 5:30-6:30 pm. Students and parents can familiarize themselves with the campus, find their classes, and meet their teachers. The first day of school is Wednesday, August 21, 2023. We will begin the first three days with homeroom so that we can take accurate attendance, cover school 101 stuff (Yondr, SP, handbook, etc.), and conduct grade-level assemblies.
