1. The security gates and fencing enclosing the campus is complete and 100% operational. The west side gate is an automatic sliding gate accessible via a keypad at the gate, as well as an "A" phone at the front desk in the atrium with video and audio capabilities. The east side is a manual sliding vehicle passage gate used by student drivers and deliveries.
2. The football stadium, as well as the exterior building walls underneath the stadium, was repainted last month.
3. The blue marquee sign at the front of the school has been dismantled and removed.
4. There was no damage to the buildings or grounds, nor at any time was power lost at JICHHS from Hurricane Florence.
5. The Facilities Maintenance Dept. has received and processed 68 work orders from Aug. 20th to the present.
