Facilities Maintenance Board report for November 12th, 2018

1. A cabinet section was demolished in the science building teachers work room to make room for a new freezer.
2. DHEC inspected the sewer lift station serving the softball field press box-concessions stand, inspection passed with no issues found.
3. A faulty irrigation valve and decoder have been replaced restoring irrigation to the softball and soccer practice field.
4. A new 4X6 ft. sign has been installed in front of the school's gym identifying its location. Additionally, there are seven new street signs being made to provide directions to key locations on campus. Installation of these signs will take place as soon as they are completed.
5. The JCHS facilities maintenance dept. has received and processed 77 work orders from Oct. 15 to the present.
