## South Carolina Department of Education CHARTER SCHOOL 2018 ANNUAL REPORT TEMPLATE

Charter School Submission Deadline to Sponsor: December 31, 2018

Sponsor Submission Deadline to SCDE: January 31, 2019

School Name: James Island Charter High School

**Sponsor: Charleston County School District** 

Date of Submission to Sponsor: December 20, 2018

#### I. INTRODUCTION

Pursuant to S.C. Code Ann. § 59-40-140(H), the South Carolina Department of Education (SCDE) has developed this annual report template for charter schools to use in reporting to their sponsors. A charter school is required to submit, at least annually to its sponsor, a report that shall include the following, at a minimum:

- (1) the number of students enrolled in the charter school from year to year;
- (2) the success of students in achieving the specific educational goals for which the charter school was established:
- (3) an analysis of achievement gaps among major groupings of students in both proficiency and growth;
- (4) the identity and certification status of the teaching staff;
- (5) the financial performance and sustainability of the sponsor's charter schools; and
- (6) board performance and stewardship including compliance with applicable laws.

The report shall provide all other information as required by the charter school sponsor and the SCDE.

In turn, sponsors are required by law to annually evaluate the following conditions that warrant the nonrenewal or revocation of a school's charter:

- the commission of a material violation of the conditions, standards, or procedures provided for in the charter application;
- failure to make or meet reasonable progress, as defined in the charter application, toward pupil achievement standards as identified in the charter application;
- failure to meet generally accepted standards of fiscal management; and
- violation of any law from which the school was not specifically exempted.

This annual report template is designed to elicit a comprehensive picture of a charter school's recently completed academic year as it relates to the school's performance in those areas impacting charter school accountability: academic achievement, compliance, operations/governance, and financial viability.

#### II. ANNUAL REPORT SUBMISSION GUIDELINES

Annual Report Submission: The annual report shall be due on December 31 following each full school year in which the charter school is in operation. The board of trustees of a charter school should make the annual report available to the parents or guardians of the students enrolled in the charter school. In accordance with S.C. Code Ann. § 59-40-140 (H), the charter school shall submit an annual report to its sponsor, and the sponsor shall compile the annual reports of all of its charter schools into a single document that must be submitted to the SCDE by January 31. Insofar as the sponsor of a charter school is the charter school's local education agency (LEA), the charter school is advised to submit its annual report to the sponsor's superintendent.

#### **Submission Requirements:**

Charter School: Please confirm with the sponsor of the charter school the desired format for submission (paper or electronic); the annual report is due to the charter school sponsor no later than 5:00 p.m. on December 31.

Charter Sponsor: An electronic copy of the annual report is due to the SCDE no later than 5:00 p.m. on January 31. The electronic copy should be submitted to: <a href="mailto:charterschools@ed.sc.gov">charterschools@ed.sc.gov</a>. In the subject line include the sponsor's name/school's name/2018 Annual Report.

<u>Format</u>: All schools must use the provided Annual Report template and appendices templates. Each question in the application template that requires a written response includes a page limit. Answers should stay within those guidelines. Contact the SCDE Charter Schools Program at 803-734-2781 or at <u>charterschools@ed.sc.gov</u> if you have any questions regarding the provided templates.

**Annual Report Review:** All reports must be clear and fully complete in order to be evaluated by both the sponsor and the SCDE. The SCDE will review annual reports upon their submission.

#### III. ANNUAL REPORT QUESTIONS

#### 3. EDUCATIONAL PROGRAM AND ACCOUNTABILITY

In the following sections, please reflect on the educational program, student performance data, academic goals, and progress towards the academic goals.

#### 3.1. Academic Performance

#### **Academic Performance Narrative (LIMIT YOUR RESPONSE TO THREE PAGES)**

Using applicable data from the past school year's SC READY, SCPASS, ACT WorkKeys®, ACT®, and End of Course test scores, provide a narrative, beginning on the next page, in which you:

- describe the school's statewide assessment results
- provide an analysis of achievement gaps among major groupings of students in both proficiency and growth
- provide an explanation of how the school will close gaps and maintain or improve results.

#### 3.1.B. Academic Performance Narrative Appendix

#### **End-of-Course Examination Results**

End-of-Course Examination (EOCE) data indicated that 83.7% of students who took an EOCE passed (score of 60% or above). The following is a breakdown by subgroups:

| Subgroup         | EOCE      | Math   | English | Biology | US History |
|------------------|-----------|--------|---------|---------|------------|
|                  | Pass Rate |        |         |         |            |
| All Students     | 83.65%    | 78.76% | 85.85%  | 85.91%  | 82.85%     |
| Male             | 81.85%    | 76.53% | 81.55%  | 84.81%  | 83.73%     |
| Female           | 85.62%    | 81.25% | 90.91%  | 87.18%  | 82.02%     |
| White            | 92.19%    | 89.64% | 93.31%  | 94.48%  | 89.86%     |
| African American | 59.39%    | 50.59% | 65.48%  | 61.74%  | 58.97%     |
| Hispanic         | 70.21%    | 66.67% | 66.67%  | 75.86%  | 70.59%     |
| Other            | 90.43%    | 73.33% | 85.71%  | 93.75%  | 97.62%     |

#### **ACT Results**

ACT results indicated that the average composite score for all 3<sup>rd</sup> year students was 19.7. The following is a breakdown by subgroups:

| Subgroup          | Composite | English | Math | Reading | Science | # Tested |
|-------------------|-----------|---------|------|---------|---------|----------|
| All Students      | 19.7      | 19.0    | 19.5 | 20.1    | 19.9    | 260      |
| Gifted & Talented | 23.8      | 23.4    | 23.6 | 24.2    | 23.8    | 92       |
| Free / Reduced    | 16.9      | 15.7    | 17.0 | 17.0    | 17.3    | 73       |
| Male              | 19.6      | 18.5    | 19.9 | 19.7    | 20.0    | 127      |
| Female            | 19.8      | 19.5    | 19.1 | 20.5    | 19.7    | 133      |
| White             | 21.0      | 20.3    | 20.7 | 21.5    | 21.2    | 178      |

| Hispanic          | 19.0      | 18.0    | 18.8 | 19.1    | 19.6    | 15       |
| Other             | 19.8      | 18.0    | 20.1 | 21.1    | 19.5    | 8        |

#### **WIN Career Readiness Assessment**

For the 2017-2018 school year, James Island Charter gave all third-year students the WIN Career Readiness Assessment. The table below shows the proportion of students within each subgroup that

met the benchmark, scoring a 4 or higher, on each content area subtest. Additionally, the table shows the proportion of students from each subgroup that passed the Essential Soft Skills assessment.

|                  | Applied     | Locating    | Reading for | Essential   |
|------------------|-------------|-------------|-------------|-------------|
| Subgroup         | Mathematics | Information | Information | Soft Skills |
| All Students     | 86.9%       | 83.6%       | 89.3%       | 88.4%       |
| Free Lunch       | 67.5%       | 66.3%       | 78.8%       | 73.8%       |
| Reduced Lunch    | 81.3%       | 81.3%       | 87.5%       | 81.3%       |
| Paid Lunch       | 93.8%       | 89.6%       | 92.9%       | 93.8%       |
| Male             | 87.0%       | 92.0%       | 85.2%       | 80.9%       |
| Female           | 86.8%       | 85.6%       | 93.1%       | 95.4%       |
| White            | 95.6%       | 92.1%       | 94.3%       | 94.7%       |
| African American | 63.3%       | 60.8%       | 72.2%       | 69.6%       |
| Hispanic         | 75.0%       | 68.8%       | 100.0%      | 81.3%       |
| Other            | 92.3%       | 92.3%       | 92.3%       | 100.0%      |

To improve EOCE, ACT, and the WIN Career Readiness Assessment scores among the lower-performing subgroups, data from 8th grade will be used to schedule at-risk students for additional classes and coursework. Review guides and after-school sessions, with incentives, will be offered prior to each of the exams in all content areas. Every Wednesday morning teachers meet in Professional Learning Communities to revise curriculum maps and assessments to ensure that content being taught from state standards matches the rigor and depth of knowledge required for exceeding the benchmark scores on the ACT. Teachers will continue to use a coherent curriculum and horizontally aligned assessments for all students to ensure that students receive the same instruction. JICHS will offer a writing lab staffed by certified English teachers to assist students in all phases of the writing process. The writing lab will offer whole-class and individual help in conventions of writing, structure/organization, and editing. Mobile technology labs equipped with classroom sets of Chromebooks or iPads will be available for teachers to incorporate test preparation (USA Test Prep / IXL) into long-range planning. JICHS will continue to maintain awareness of current assessment trends and requirements while teachers continue to utilize state testing resource documents. Test-taking strategies will be incorporated into the planning, preparation, coordination, and execution of classroom lesson plans. Furthermore, JICHS will continue to maintain high expectations for student participation and achievement and provide professional development opportunities for faculty and staff.

To specifically improve EOCE scores, administrators and guidance counselors will use information from IGP meetings to better guide students in the selection of courses that would best prepare them for success in EOCE courses. At-risk students among the subgroups will complete a multi-part course sequence before taking the EOCE (Foundations of Algebra / Intermediate Algebra, Developmental English / English 1, Integrated Science, Earth Science then Biology 1) in order to improve academic performance. Multiple content recovery and exam preparation sessions will be offered to these students with incentives for attending 100% of all sessions leading up to final exams in courses. All teachers will be cross-training others in their department on successful instructional strategies within

their Professional Learning Communities on a weekly basis. In regards to US History EOCE results, JICHS will continue to offer "American Democracy" as a prerequisite course to US History for students who require additional reading, writing, and content interventions. These strategies will specifically target students in various subgroups for additional support and assistance.

To specifically improve ACT scores, JICHS will assess the data from the Pre-ACT administered to all 9th and 10th-grade students during the 2017-2018 school year and will use the assessment data to guide instruction and course progression. Student data conferences will be held to encourage students to take courses that will prepare them for the ACT before the spring of their Junior year. These advanced courses include Pre-Calculus/Algebra 3, Chemistry/Physics, Statistics, and English. JICHS will continue to offer an ACT preparation course within the school day, taught by certified instructors, in order to better prepare students to take the ACT. Teachers will also be provided with additional professional development opportunities to improve the teaching and learning process (expectations, instructional strategies, content, assessment/feedback) that would most benefit student academic performance and achievement.

Finally, JICHS is Investigating and doing research on best practices for our lower quartile students and how to better prepare them for high school through a Summer Bridge program. Also, JICHS is utilizing additional support through curricula such as the SREB courses in math and literacy for freshman and seniors.

Per the results from the JICHS School Report card, JICHS will be actively seeking professional development opportunities for best practices when working with our ESL population.

#### 3.2. Academic Goals and Performance

Identify the <u>academic</u> goals set forth in the school's current charter. For each academic goal use the tables below to describe the goal, the measure or metric to be used, the target for the goal and describe the success of students in achieving the specific educational goals for which the school was established. For goals not met, explain why and what steps the school is taking to progress towards goal attainment.

|                                | Academic Goal 1  |
|--------------------------------|--|
| Goal                           | Annual increases of percentage of students taking Advanced Placement / International Baccalaureate courses.  |
| Measure/Metric                 | % of Students Enrolled in AP/IB courses  |
| Target                         | Increase from SY 2016-2017   |
|                                | Outcome: In 2017, 10.8% of students were enrolled in AP/IB courses. In 2018, 19.4% of students were enrolled in AP/IB courses. This was an increase of 8.6%.   |
| Actual Outcome and Explanation | Explanation: There were 305 students enrolled in either an AP/IB course during the 2017-2018 school year. The total enrollment on the 2017-18 135-day enrollment was 1569. This results in 19.4% of students participated in at least one AP or IB course. This increase can be attributed to a variety of strategies. The IB Coordinator holds multiple Pre-IB Shadow Days and Information Nights for incoming freshmen to showcase the IB program. JICHS attends many High School Fair nights at local middle schools to share information and recruit students for our AP and IB programs. Guidance counselors meet with all incoming and current students during their IGP meeting and review/discuss PSAT, ACT and AP Potential data to identify potential students and encourage them to enroll in upper-level courses. JICHS has also created more AP/IB sections in the master schedule as the student demand to take these courses rises. |
|                                | Action Plan: The PSAT, ACT and AP Potential data will continue to be used to identify students who have the potential of scoring 3 or higher on AP tests and 4 or higher on IB examinations. These students, along with their parents, will be strongly encouraged to enroll in AP / IB courses. Administrators, guidance counselors, and teachers will continue to provide information to students regarding the benefits of enrolling in AP / IB courses. Also, JICHS will continue offering AP courses to incoming freshmen and will expand the number of AP / IB opportunities available to students (newly updated IB Math courses, addition of AP Statistics, AP Computer Science to the JICHS Program of Studies). The IB Coordinator will provide professional development during PLC time to guidance counselors on how to better identify possible AP/IB students to ensure that the proper students are enrolled for these courses.     |

|                                | Academic Goal 2  |
|--------------------------------|--|
| Goal                           | Annual increases of the percentage of students earning a grade of 3 or higher on AP exams and 4 or higher on IB exams.   |
| Measure/Metric                 | % of Success in AP/IB courses  |
| Target                         | Increase from SY 2016-2017   |
| Actual Outcome and Explanation | Outcome: In the 2016-2017 school year, 68.1% of students earned a grade of 3 or higher on AP exams or 4 or higher on IB exams. In the 2017-2018 school year, 75% of students earned a grade of 3 or higher on AP exams or 4 or higher on IB exams. This is an increase of 6.9%.  Explanation: Regarding the IB program, the increase in the IB budget allowed for more resources to be available to teachers/students (textbooks, chromebooks, etc). With the support of the increased budget, there were more teachers that attended additional IB/AP training over the course of the year. The IB coordinator provided previous years' IB testing data to teachers to help them better understand scores. The IB program designated and sent a librarian to IB training so research skills, written papers and extended essay techniques could be better relayed to students outside of the classroom setting. Regarding the AP program, the increase in the enrollment and number of sections offered allowed for more student accessibility of success.  Action Plan: JICHS will meet this goal by using information from IGP meetings to better guide students in the selection of courses that would best prepare them for success in AP or IB courses. Furthermore, AP preparation courses will be vertically articulated with AP courses. Teachers who are stronger in AP / IB content will be cross-training others in their departments and with the entire faculty on successful instructional strategies. Teachers will also be provided with additional professional development opportunities to improve the teaching and learning process (expectations, instructional strategies, content, assessment/feedback). JICHS will continue to explore AP test preparation programs as part of a comprehensive student AP experience. |

| Academic Goal 3                |   |  |  |
|--------------------------------|---|--|--|
| Goal                           | Decrease Retention Rates of all Grades  |  |  |
| Measure/Metric                 | % of Students Retained  |  |  |
| Target                         | Decrease from SY 2016-2017  |  |  |
| Actual Outcome and Explanation | Outcome: The retention rate for 2018 was 0.8%, as compared to 0.9% in 2017. This is a decrease of 0.1%. |  |  |

Explanation: The decrease in retention rate can be attributed to additional interventions to address at-risk students, including increased teacher expectations for student achievement and participation in the classrooms, after-school Twilight Program, and an increase in hands-on activities with additional technology in the classroom. Through advisory, JICHS focuses on academic goal setting and check-ins. A JICHS "At-Risk" list is populated every quarter and shared with administrators, guidance counselors and the leadership team of the school so all can collectively encourage students to do their best. JICHS continues to increase the rigor of the curriculum, instruction, and assessments in order to better prepare students for their post-secondary placements.

Action Plan: JICHS will continue to utilize Credit Recovery, Content Recovery, Attendance Makeup, monitor student grades via Advisory teachers and grade level counselors and establish set criteria for early out/late in. Guidance counselors will continue to discuss successful student strategies during IGP meetings. Teachers will hold Family Data Conferences to discuss student progress towards graduation and share student test score analysis. The JICHS Mentor/Mentee program will continue to focus and target our at-risk population. Our Freshman Academy will continue to implement interventions which will reduce retention amongst 9th grade students. Communication will be improved to parents and guardians in order to holistically address student needs. All families will have access to PowerSchool student data through ParentPortal. Furthermore, teachers will continue to receive professional development opportunities to aid in reducing the retention rate.

|                                | Academic Goal 4   |
|--------------------------------|---|
| Goal                           | Annual Increases on End-of-Course Examination Scores of 60 or above   |
| Measure/Metric                 | % of tests with scores of 60 or above   |
| Target                         | Increase from SY 2016-2017  |
| Actual Outcome and Explanation | Outcome: The % of EOCE scores of 60 or above for "All Subjects" in 2018 was 83.7%, as compared to 84.8% in 2017. This is a decrease of 1.1%.  Explanation: While there was a slight decrease in our EOCE scores, it should be noted that a different set of students were tested than the previous year, but that we have maintained percentage passed.                                   |
|                                | Action Plan: JICHS will continue to identify students in the subgroups in need of remediation in order to address specific deficiencies. This goal can be accomplished using the USA Test Prep Program and incentivising EOCE after-school and weekend review sessions for students. Monetary incentives for students will be discussed for students who pass EOCE tests. EOCE standards, |

topics, discussions, and questions will continue to be incorporated into all EOCE courses. Strategies that address weaknesses will be implemented. Furthermore, JICHS will assess the Pre-ACT administered to all 9th and 10th-grade students during the 2017-2018 school year and will use the assessment data to guide instruction. JICHS will continue to maintain awareness of current assessment trends and requirements while teachers continue to utilize state testing resource documents. JICHS will continue to maintain high expectations for student participation and achievement and embed Professional Learning Community time within the school day to revise assessments to ensure that content being taught from state standards matches the rigor and depth of knowledge required to excel on the EOCE. JICHS will continue to provide professional development opportunities for faculty and staff in a variety of areas.

#### 4. SCHOOL STAFF

In its discretion a charter school may hire non-certified teachers in a ratio of up to twenty-five percent of its entire teacher staff; however, if it is a converted charter school, it shall hire in its discretion non-certified teachers in a ratio of up to ten percent of its entire teacher staff. Part-time non-certified teachers are considered pro rata in calculating this percentage based on the hours which they are expected to teach.

#### South Carolina Public Charter School Annual Report

#### Statement of Assurances for Charter Schools

As the authorized representative of Lines Tsiand School, I hereby certify that the stated charter school complies with all applicable South Carolina Charter Schools Act of 1996 requirements as submitted in this statement of assurances.

- A. Complies with all federal and state laws and constitutional provisions prohibiting discrimination on the basis of disability, race, creed, color, gender, national origin, religion, ancestry, or need for special education services. S.C. Code Ann. § 59-40-40(2)(b)
- B. Does not charge tuition or other charges pursuant to S.C. Code Ann. § 59-19-90(8) except as may be allowed by the sponsor and is comparable to the charges of the local school district in which the charter school is located. S.C. Code Ann. § 59-40-40(2)(d)
- C. Adheres to the same health, safety, civil rights, and disability rights requirements as are applied to other public schools operating in the same school district or, in the case of the South Carolina Public Charter School District (SCPCSD) or a public or independent institution of higher learning, the local school district in which the charter school is located. S.C. Code Ann. § 59-40-50(B)(1)
- D. Meets, and may exceed, the same minimum student attendance requirements as are applied to public schools. S.C. Code Ann. § 59-40-50(B)(2)
- E. Adheres to the same financial audits, audit procedures, and audit requirements as are applied to public schools. S.C. Code Ann. § 59-40-50(B)(3)
- F. Reports to its sponsor and the South Carolina Department of Education (SCDE) documentation of the appropriate use of federal funds the charter school may receive.
- G. Uses the same pupil accounting system as required of public schools and districts.
- H. Employs noncertified teachers in a ratio of up to 25 percent of its entire teaching staff (10 percent for conversion schools). All teachers in core academic areas will be highly qualified as defined in the Elementary and Secondary Education Act (ESEA). S.C. Code Ann. § 59-40-50(5)
- I. Employs one administrative staff member who is certified or experienced in the field of school administration. S.C. Code Ann. § 59-40-50(6)
- J. Is secular in its curriculum, programs, governance, and all other operations. S.C. Code Ann. § 59-40-40(1)
- K. Complies with the Freedom of Information Act. S.C. Code Ann. § 59-40-50(10)
- L. Complies with the ESEA legislation and applicable provisions of the SCDE's ESEA waiver.

- M. Adheres to all provisions of reporting student truancy, discipline incidents, and persistently dangerous situations as required by ESEA.
- N. Assumes liability for the activities of the charter school and will indemnify and hold harmless the school district and its servants, agents, and employees from any and all liability, damage, expense, causes of action, suits, claims, or judgments arising from injury to persons or property or otherwise which arises out of the act, failure to act, or negligence of the charter school, or its agents and employees, in connection with or arising out of the activity of the charter school. S.C. Code Ann. § 59-40-60(F)(15)
- O. Reports to its sponsor and the SCDE any changes to information provided under its application in a timely manner. S.C. Code Ann. § 59-40-140(H)
- P. Reports at least annually to its sponsor and the SCDE all information required by the sponsor and by the SCDE, including, at a minimum, the number of students enrolled in the charter school, the success of students in achieving the specific educational goals for which the charter school was established, and the identity and certification status of the teaching staff. S.C. Code Ann. § 59-40-140(H)
- Q. Adheres to all provisions of federal law relating to students with disabilities, including the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, and Title II of the Americans with Disabilities Act of 1990 that are applicable. S.C. Code Ann. § 59-40-50(B)(1)
- R. Adheres to all provisions of federal law relating to students who are limited English proficient (LEP), including Title VI of the Civil Rights Act of 1964 and the Equal Educational Opportunities Act of 1974. S.C. Code Ann. § 59-40-50(B)(1)
- S. Complies with S.C. Code Ann. § 59-63-235 (2004), which provides for the expulsion of any student who brings a firearm to school.
- T. Complies with the Family Education Rights and Privacy Act (20 U.S.C. § 1232).
- U. Complies with any school district desegregation plan or order in effect. S.C. Code Ann. § 59-40-60(F)(9)
- V. Adheres to all requirements of the Office of School Facilities as detailed in the Charter School Facilities Approval Form.
