Dr. Postlewait,

The SCBDA Concert Achievement Award is an award recognizing excellence in school music performance in South Carolina. Points are accumulated through participation and ratings earned at the following state-sponsored performance events:

- All-State and Region Band
- Concert Performance Assessment with a Superior Rating
- Solo and Ensemble Festival

It is with great pleasure to inform you that James Island Charter High School has earned the points necessary to receive the SCBDA Concert Achievement Award for the 2018-2019 school year. The outstanding concert and individual student performances are a testament to the high-quality of teaching taking place in the band department at your school.

Congratulations on this wonderful achievement!

Sincerely,
