Late- in/Early Out Change

CCSD's interpretation from the state is that students must be scheduled for $\frac{3}{4}$ of the school day. This means that all students must have three classes per semester. Seniors used to be able to take 5 classes. Now they must take 6 classes. If a student is not scheduled for $\frac{3}{4}$ of the day then we will lose funding. JICHS Late-in/Early Out Policy, student must qualify or pre-qualify as College or Career Ready to earn an early out or late in. This has been in effect now for several years. Also, lunch cannot appear on a students schedule. This has no effect on students.

Master Schedule

Mr. Drake, Mrs. Holland, Mr. Gilbert, and the department chairs are working on the master schedule for next year. We currently working through course requests for the rising 9th graders. The Attendance Office is working diligently to get the students from CRMS and the open enrollment students enrolled for next year. The preliminary sectioning is being done for next year. There are currently just over 1500 students' course requests in PowerSchool for next year. We are hoping to have over 1560 students for next year.

Technology- Angela Childs-Kindred

At the end of the year website admin meeting, we were informed that CCSD will move to a new platform for school websites. We will no longer use SharpSchool (School Messenger) and will move to Blackboard. The feedback from Mr. Gilbert and Mrs. Childs-Kindred is that is a much better platform.

Construction Update CTE and Competition Gym

The last construction meeting was on May 14, 2019. The high bay portion of the CTE-wing was redesigned to show a flexible space, which was the space for mechatronics. The flexible space will eventually be designed for a Culinary Arts Program.

We currently have enough course requests to offer 5 sections of Introduction to Hospitality and Tourism, which is the prerequisite for Culinary Arts 1. The Culinary Arts classes will be full again next year. Eventually. In the future, we may have the demand for a second Culinary Arts teacher.

We have received all of the culinary arts equipment from the PCI Auctions-Art Institute. The equipment is being stored in two Conex boxes by the baseball and softball fields.

James Island Bus Lot

The CCSD Board of Trustees approved the James Island Lot Project to be constructed on our campus. The bus lot will go on the practice field behind the stadium grandstands. In order to support the needs of our athletic programs, the Board of Trustees approved \$750,000 funding for JICHHS to construct a secondary competition field. Preliminary plans have been created by CCSD.

Charter Revisions

The process to revise the charter requires approval from the Leadership Team, the JICHHS Board of Directors, and CCSD Board of Trustees. CCSD recommended that use generic language when possible so that small, subtle changes do not need approval from the Board of Trustees. We did attempt to do that when we wrote the charter.
