

# **JICHHS Leadership Team Report**

22 January 2018

## **LEADERSHIP TEAM:**

- ❑ This semester the leadership team will begin the process of updating the JICHHS policy manual to reflect the goals, practices, and policies in our updated charter document.

## **MEDIA CENTER:**

- ❑ The Media Center is hosting a USC Librarian Intern who is currently working collaboratively with several teachers. We love interns so we stay current on trends in the profession.
- ❑ Ms Ball attended a regional workshop for librarians for updates on statewide initiatives involving school libraries. Check out the senior all star posters in the hallway!

## **IB:**

- ❑ This is the first year we have had an opportunity for pre-IB 8th grade students from around Charleston County to shadow pre-IB and IB students.

Tomorrow, Tuesday, Jan 23, will be our 2nd pre-IB shadow day with 20 students coming to shadow for the morning. They will be visiting pre-IB classes such as AP Human Geography, Spanish 1 and Spanish 2, French 2, Hon Geom, Hon Biology, Hon English 1 and a Freshman Focus class.

So far, parents and students have had an overwhelmingly positive experience- so we would like to keep up this new tradition!

## **SAT/ACT Prep:**

- ❑ JICHHS is offering incentives for students who spend 3+ hours practicing or preparing for SAT or ACT outside of school. For each 3-hour block (verified with documentation), students may earn homework passes or extra points on quizzes.
