1. Two new hurricane rated door sets were installed in the science building over the Christmas break.
2. 3 new painted crosswalks have been added to the campus to designate crossing areas for students coming to and from the PAC to the student parking lot.
3. The Baseball concession stand received much needed grate drainage around 3 of the 4 sides of the building. This will alleviate the flooding condition of the concession stand floor when rain is present.
4. The replacement coils for the PAC cooling tower have been ordered, there is a 8 to 10 week lead time for shipping.
5. JICHHS Maint. Dept. has received and processed 67 work orders from Dec. 18 to the present.
