

JICHS Leadership Team Report

26 February 2018

LEADERSHIP TEAM:

- ❑ The leadership team has updated our field trip policy. The purpose of this revision was to streamline voting practices and ensure timely communication among shareholders.

MEDIA CENTER:

- ❑ Library is helping students organize a Voter Registration drive with the help of the League of Women Voters and the National Council of Negro Women.
- ❑ Library hosted the Ida Berman Photography Exhibit showcasing efforts of John's Island civil rights activists in 1959. Various classes utilized the exhibit to support their curriculum:
 - ❑ Creative Writing conducted Image Writing lessons
 - ❑ Photography courses found places of interest in the Charleston area that might complement the photos in a then/now project
 - ❑ English II courses included the exhibit in a Cultural Identity lesson
 - ❑ Dev/Ess English courses used it for an anti-hero project
 - ❑ American Democracy students used it in conjunction with Black History month and an honoring of Gresham Meggett alumni

ENGLISH:

- ❑ Drama Club is putting on the Talent Show on March 15th (date might change as I just heard the NHS dodgeball tournament is the same night....sigh)
Also we are putting on Hello, Dolly! in conjunction with James Island Players first weekend in May. Auditions are next week and students seem pretty excited about that as well. :)
- ❑ Creative Writing has students that have done image writing of the IMA's newly found photos on JI that are displayed in the library. A few pieces have been selected to be read at the exhibit during Spolatto.

TEACHER CADET:

- ❑ The following students were accepted into South Carolina's Chapter of the National Teacher Cadet Honor Society:
 - ❑ **Zoe Helms, Anna McKee, Max Miliken, Rose Mardikian, Hannah Kolzer**
- ❑ These students are among only 100 students in the state who will be recognized at Columbia College March 10th for their outstanding academic record and exemplary performance as Teacher Cadets.

SAT/ACT Prep:

- ❑ JCHS is offering after school access to a computer lab for students who would like to participate in online SAT/ACT prep courses or programs every Monday, Tuesday, & Thursday.

MATH:

- ❑ Honors Algebra 2 class just completed a unit on functions. Students created a project on the life of a function of their choice. They had to write a biography and illustrate each section with an accurate graph.
