Athletic Director Report

Roll Call:

Coach Allred or I will be present for all home athletic events and will go to one away event each week. I was out with the flu but Coach Allred attended the SCHSL 5A meeting .

Athletics Facilities update:

- Stadium field looks great but is already showing signs of wear and tear where Lacrosse and Soccer Goalies play during games.
- Baseball renovations continue as the roofs are being fixed now.
- We are looking into purchasing more lockers for the field house
- The new soccer fields have been holding a lot of water. We got Wilson's to come in and inject turface and sand into the ground to help with drainage. The field has now been switched to Lacrosse and JV Soccer because it is so rough. The field will need major work done after spring sports are done. This field was signed off by CCSD although we had objections and felt it wasn't done properly.

Upcoming Events:

- ❖ Athletics Golf Tournament will be March 3rd at Muni
- ❖ Both Soccer teams, Baseball and Softball teams will be competing in tournaments in the upcoming weeks.

What's New?

- ⚡ The school weather station has been installed. We will get more accurate readings for lightning, approaching rain, and heat Index warnings.
- ⚡ Coach Evaluations Program is now set up. We will run test runs with this year's sports and will implement next year.
- ★ All Varsity sports have new Nike Uniforms and we will now be going to our uniform plan. (See Attached)
- ★ We will honor Coach Hatley on March 7th by putting the plaque, that we bought for him last year, permanently in the dugout.

- Field Space for Spring Sports Practice is a major concern. Needs to be addressed soon
