

Athletics Report May 15th

Individual Sports Reports:

SCHSL still hasn't given a start up date

Athletic Director Report

What athletics is working on:

1. Senior shout outs - Creating a slideshow for all Senior athletes and turning the lights on for two hours at their field for one night. Here is an example:
2. https://docs.google.com/presentation/d/e/2PACX-1vR9yNddTlulCtXfE9q6otrMreH6w4ybOXzSEBjODuSEtetB4i_-_VktPZvojOcx3sjCI848bUngw6Gv/pub?start=true&loop=true&delayms=5000
3. Athletic Strategic Plan
4. Coaches PD in the book "What Drive Winning".
5. Spring Senior Turn in day - Senior turn in jerseys - we are purchasing senior banners to give to kids (booster purchasing), purchasing JI bluetooth speakers (Athletics purchase) for kids, and giving out chevrons and letters to seniors.
6. Major Shoutout to Mr. Thorn and all his hard work on getting the SCHSL to include us with CCSD. I appreciate all his time and effort in getting this done.
7. We have hired two new swim coaches for next year. We will have a mens and womens head coach going forward.

Concerns:

Budget after losing out on gate money from spring sports. (We will look to have more fundraising to help recoup this money)

Getting back to normal and the process of safely getting kids back into shape once we are allowed to get going again.
